THE CAMBRIDGE PEERS PROGRAMME

St Andrew's College Cambridge

Focus on credit bearing of Student Exchange, let students to have study abroad experience, but yet not missing home countries junior school/senior school credit, and also a chance for them to improve English, and also a taste of understanding the career they are able to progress to after High School.

St Andrew's College Cambridge

St Andrew's College Cambridge has been offering both UK and international students the opportunity to study in central Cambridge for over 40 years. The college prides itself on its small size and dedicated teachers who are committed to helping students achieve their personal and academic goals. St. Andrew's has a family-like atmosphere, with many long-standing members of staff who have served the college for over a decade, helping and supporting students in every aspect of their studies.

A broad range of courses is available at St Andrew's, including GCSE and Pre-A. St Andrew's offers UK and international students an outstanding education as well as an engaging extra-curricular programme and high-quality accommodation.

International Bilingual Education Alliance

- One System, Multiple Innovations

The Alliance connects all of our member high schools from different countries via our connectivity, collaboration and co-ordination approach.

It also serves as a platform for all member schools to engage in various international education projects.

Our intention is to improve the global prospects, leadership skills and multilingual capabilities of students.

High Schools that adopt the International Bilingual Education Projects will have exclusive access to the Value-Added Features offered by the IBE Alliance.
